1. Rebate application must be submitted within 90 days of item(s) purchase. An original, dated sales receipt showing itemized cost for the rebated item(s) must be provided. An original, dated, itemized invoice or receipt for contracted labor must be provided if the toilet was purchased by a plumber or contractor. If you need the original receipt(s) returned, please enclose a self-addressed, stamped envelope with your rebate application. For online purchases, a print out of the final invoice and an original packing or delivery slip is required.
2. All rebate applications must be signed by the legal property owner.
3. To qualify for a residential toilet rebate, applicant must be replacing a toilet that uses 1.6 gallons per flush (gpf) or more, with an Ultra-High Efficiency WaterSense approved Toilet (**UHET**) that uses 1.0 gpf or less.
4. No rebate will exceed the purchase price of the item(s) and contracted labor. No rebate will exceed \$100 per toilet. Sales tax is not rebated.
5. Each residence is limited to three rebates on qualifying toilets at the property.
6. Participants agree to recycle their old toilet(s). Customers may recycle their old toilets at the Buena Vista Landfill in Watsonville for a small fee. Toilet seats and all hardware must be removed prior to drop off.
7. The rebated equipment must be installed at an existing Soquel Creek Water District (**SqCWD**) service address and must be installed prior to rebate request. New development is not eligible for rebates.
8. Rebates are applied as a credit that will appear on a subsequent water bill (see exceptions below). The account must be in good standing to receive a credit. Upon closing an account, any rebate credit balance will be mailed to the account holder. Allow four weeks from the date of rebate approval for credit processing.
9. You will be issued a check in lieu of a credit if: (1) your water service is in the name of your Home Owner's Association or Condominium Board and you are the legal property owner of your dwelling unit; or (2) you are the legal property owner (but not the account holder) and you purchased the rebated item(s) for your rental property. See 13 below regarding tax implications of check payments.
10. Installation of any rebated device, appliance or fixture is the sole responsibility of the applicant, as is determination of the adequacy and compatibility of the existing plumbing system.
11. SqCWD does not endorse specific brands, products or dealers; nor does it guarantee materials or workmanship; acceptance of such is customer's responsibility.
12. SqCWD assumes no responsibility or liability for any damage that may occur to an applicant's property as a result of participation in this program. Due to circumstances beyond its control, SqCWD cannot guarantee that installation of rebated fixtures or measures will result in lower utility costs.
13. The IRS requires all rebate program participants receiving \$600 of cash/check or more per calendar year in rebates to be issued an IRS Form 1099 unless exemptions apply. If you have received rebates from SqCWD totaling \$600 or more in the current calendar year, you must submit a completed IRS W-9 form (see our website for a copy) with your rebate application to receive a rebate.
